

Project Office of the City of Ivanec

Grad Ivanec

1396

Project Office of the City of Ivanec has been established for the purpose of informing, preparation and development of entrepreneurs projects and their application to EU funds and national sources of financing. Goal is to overcome difficulties that entrepreneurs have to face with in their daily bussines operations.

What makes us different?

⇒ **availability** – individual approach to every client, *services free of charge until December 31st 2016*

⇒ **expertise** – Project Office employees hold a certificate for EU projects development and implementation

⇒ **responsibility** – of the City of Ivanec as a project coordinator, and personal responsibility of the Project Office employees

⇒ **motivation** – based on the creativity and education through various workshops

⇒ **cooperation** – with all relevant entrepreneurs support institutions and among clients and Project Office employees
